

The following is a list of WEB pages that may be of interest

Aviation WEB and email addresses:

Organization	E-mail Address	World Wide Web Home Page
AEA	infodude@avionnm.com aeainfo@aeaavnews.org	http://www.aeaavnews.org
ARINC	webmaster@arinc.com	http://www.arinc.com
ARSA		
ATA	rferum@air-transport.org	http://www.air-transport.org
AV	webeditor@avweb.com	http://www.avweb.com
AIA Aerospace Industries Assoc	202-371-8400 1250 I St. NW	
EAA	webmaster@eaa.org	http://www.eaa.org
FAA: Alaska Atlantic City Headquarters OK City	jmadden@mail.hq.faa.gov vallelej@admin.tc.faa.gov webmail@www.mmac.jccbi.gov	http://www.ak.net/faa http://www.tc.faa.gov http://www.faa.gov http://www.mmac.jccbi.gov
FAA	News info on Safer Skies program	http://www.faa.gov/newsroom.htm
FAA Budget-in-Brief		http://www.faa.gov/aba
The Federal Register and the Code of Federal Regulations		http://www.access.gpo.gov/nara/index.html
GAO reports		http://www.access.gpo.gov/su_docs/aces/aces160.shtml
DOT website for details on the entire DOT budget request.		http://www.dot.gov/affairs/dot3301.htm
IATA	webmaster@itat.org	http://www.iata.org
ICAO	dsavic@cam.org	http://www.cam.org/~icao
NBAA		http://www.nbaa.org
RAA	benet_wilson@sba.com	http://www.raa.org
SAAA	enquiries@saaa.nasma.com	http://www.saaa.nasma.com
RTCA		http://www.rtca.org
RTCA Task Force IV		http://www.rtca.org/ctf/ctfexecsum.htm
SAE G10		http://www.sae.org
The CAA Research Programme is now on the CAA web site		http://www.srg.caa.co.uk/safety/safety_home.asp
Congressional web sites- house science committee- hearing on FAA, NASA, Boeing ATM plans and press release		http://www.house.gov/science/space/spacehearings.htm http://www.house.gov/science/press/107pr/107-63.htm

FAA Sites:

http://www.faa.gov/avr/air/airhome.htm	FAA Aircraft Certification Advisory Circulars
http://www.faa.gov/avr/air/air100/100home.htm	FAA AIR Home page- where you can access the Aircraft Certification AC's and TSO's
http://www.faa.gov/programs_rsvp2/smart/faa_home_page/certification/aircraft/orders.htm	Orders that are not on the page above
http://av-info.faa.gov/tso/	TSO list

www.faa.gov/avr/air/air100/100home.htm	FAA Software WEB page
http://av-info.faa.gov/software/related.htm	Web site where HF and software documents are posted that are related to the Integrated Modular Avionics Advisory Circular.
www.faa.gov/avr/air/air100/sware/sware.htm	FAA Software WEB page (same as above, just a different way to get to it). Alternatively, you may access the documents by going to the FAA home page at http://www.faa.gov . From the FAA home page, select "Regulation and Certification." Then select "Aircraft Certification." From that point, you may select the "Aircraft Certification Service Software Home Page" in the left hand menu.
www.faa.gov/nasarchitecture/	Both the NAS Architecture version 4.0 and the Blueprint for NAS Modernization documents are now posted on the web. You will need Adobe Version 3.0 or above to view the documents or Worldview software.
www.faa.gov/avr/afshome.htm	The FAA's Human Factors Team report on WEB
www.faa.gov/apa/apa-3.pdf	FAA Organization Chart
http://interweb.faa.gov/avr/avrorg.pdf	FAA Regulation & Certification (AVR) Organization Chart.
http://www.hf.faa.gov/	FAA Human Factors Research WEB page (AAR-100)
http://www.hf.faa.gov/aar100org_files/slide0001.htm	FAA Human Factors Research and Acquisitions Organizational Chart
http://www.hf.faa.gov/vacancy.htm	Human Factors Job Vacancies in the FAA
http://www.tc.faa.gov/hfl.html	FAA William J. Hughes Technical Center Human Factors Group
http://inraweb.act.faa.gov/SWRS/	Site to reserve seats on the FAA shuttle flight from DCA to ACY.
http://www.volpe.dot.gov/opsad/index.html	US Department of Transportation: Volpe Center Operator Performance and Safety Analysis Division
http://www.volpe.dot.gov/opsad/efb/	Volpe WEB site contains EFB project info, including the Summer 2002 Industry Review, press articles, and links to manufacturers etc.
http://www.anm.faa.gov/programs_rsvp2/policy_memorandum.htm	Transport Airplane Directorate (ANM) Policy memos and policy statements Note: old web site doesn't work: http://www.faa.gov/certification/aircraft/anminfo/document/dev/psanm992/index.htm
http://www.faa.gov/certification/aircraft/small_airplane_directorate_advisory.htm	Small Airplane Directorate Policy memos. Frank Bicks HF Cert plan policy memo was published Aug 29th
http://www.faa.gov/safeflight21/	Safe Flight 21 page
http://www.faa.gov/certification/aircraft/part23hfpro.doc	Part 23 Human Factors Policy
http://gps.faa.gov/Library/Documents/documents.htm#basic	GPS checklist (handbook) done for AFS. "A Guide for the Approval of GPS Receiver Installation and Operation"

http://gps.faa.gov	FAA web site with GPS and WAAS status information
www.faa.gov/avr/afs/aqphome.htm www.aqp-foqa.com	Two websites. We have a tiny little .gov website with about a dozen documents on it, and a large, commercial, password-protected website where the FAA and the AQP carriers do their real business. If you log onto the .com website it will allow you to sign up for a password on line. The .com site includes both AQP and FOQA, but the FOQA side it highly restricted. It is much easier to get into the AQP side. Doug
http://find.faa.gov	WEB page where you can find the phone number for any FAA employee- search by name or organization.
www.asu.faa.gov	The website for FAA Headquarters employees to find out the schedule for picking up metro tickets. Once you enter the ASU website, click on ASU-400, then click on Parking/Transit Benefits, then scroll down to Transit Benefit Schedule 2002.
http://www.airweb.faa.gov/rgl	Web site for the Regulatory Guidance Library
is: http://www1.airweb.faa.gov/RGLTrain/HTML/tmenu_0.htm	The web address for the on-line RGL training module
http://www1.faa.gov/certification/aircraft/	FAA AIR Strategic Plan FY03
www.faa.gov/programs/oep	OEP on the WEB
http://www.airweb.faa.gov/Regulatory_and_Guidance_Library/rgPolicy.nsf/	As all of you know, policies can be downloaded via the publicly-accessible RGL:
www.hf.faa.gov/db	Human Factors AAR-100 Research Requirements Database
WWW.FINCEN.USCG.MIL	Internal FAA page to determine if a particular travel voucher has been paid. Alternatively you can call 1-800-564-5504, select option #1, then social security number, and it will provide you the payment status of your travel voucher.
http://ace100.ace.faa.gov	The Human Resource Management Division provided us with 2 CDs containing information on the Civil Service Retirement System (CSRS) as well as CSRS Offset and the Federal Employees Retirement System (FERS). Information is on Small Airplane Directorate Intranet Page on the Administrative tab under U.S. Government Resources. When you select the link for these files, a File Download Box will open asking if you want to open the file or save it to your computer. Select the Open button.

Key Federal Gov't Sites:

http://www.access.gpo.gov/nara/index.html	(1-888-293-6498; gpoaccess@gpo.gov) -
---	---

	Free online access to the official editions of the Federal Register and the Code of Federal Regulations
http://www.access.gpo.gov/su_docs/aces/aces160.shtml	This web site allows you to access GAO (Gov. Account. Office) reports.
http://av-info.faa.gov/dst/predecessor_regulations.htm	You can also get some CARs and even Aerobulletin 7A from the Designee website now at:
http://specialcollections.tasc.dot.gov/	CARs:
http://www.fedtravel.com/gsa/Default.asp	This federal web site provides airline schedules, fares, and contract carrier information for GSA travel.

Human Factors Sites:

http://www.system-concepts.com/sites/	Frequently asked questions about human factors
http://www.cami.jccbi.gov/AAM-500/freeflight/	Free Flight Human Factors Page
http://www.hfac.gmu.edu/	GMU's web page for human factors.
http://users.erols.com/hfespec/educat.htm	Human Factors & Ergonomics Society - Potomac Area Chapter
www.researchintegrations.com	Research Integrations page
https://jacg.wpafb.af.mil	Projects database of all sorts of human factors aviation research projects, like Night Vision Goggle work, compiled by Joint Aeronautical Commanders Group Aviation Science & Technology
http://human-factors.arc.nasa.gov/	NASA Office of Aeronautics Human Factors.
www.hfstg.org	Civil Aviation Authority Human Factors Steering Group
http://isweb.tasc.dot.gov/Library/library.htm	The Department of Transportation Library is now providing you with desktop access to hundreds of technical, scientific, legal and business Databases. Without leaving your desk, you can browse through automated information such as Transport (TRIS), electronically search our Online Catalog of the entire DOT collection, or look up public laws in the U.S. Statutes. To access these databases, VISIT OUR WEBSITE
http://www.apo.data.faa.gov/dirplans/	FAA's formal mission statement is, or what FAA's strategic goals are and how you fit in? It's in the FAA Strategic Plan. Want to know about the air traffic control system FAA and its Air Traffic Organization (ATO) are building for the future? It is in the NAS Architecture and the Aviation System Capital Investment Plan (CIP), supported by the National Aviation Research Plan (NARP). All those documents are online, and now you can get to all major FAA plans (even those not online) in one place, the new FAA DIRECTORY OF PLANS.
http://www.aia-aerospace.org/issues/subject/faa/faa_cer_t_study.pdf	Contains the CPS Report findings/observations
http://CockpitEval.home.att.net	Web site titled: "ANTHROPOMETRIC ACCOMMODATION IN AIRCRAFT COCKPITS: METHODOLOGIES FOR EXAMINATION." As the title implies, it is concerned with the evaluation of aircraft cockpits in terms of the anthropometric variability

	of the population of pilots expected to fly. Author k.w.kennedy@att.net
--	---

Other Aviation and/or Human Factors Related Sites:

WEB Address	What is on the page
http://www.summitaviation.com/	FAA FARs are available on CD ROM for \$99 at the Summit Aviation WEB site.
	<i>BOTH the JARs AND the FARs are available on CD ROM from:</i> WESTWARD Digital Limited 37 Windsor Street Cheltenham, GLOS, GL52 2DG UK FAX: + 44 1242 584139
http://www.jaa.nl/jar/jar.html	WEB site for the JAA JAR-OPS
http://www.icao.int/icaonet/	Access to some ICAO documents via the web. This information is in addition to what is already on the ICAO web page, but its access is limited to the Member states. Contact Colleen if you are an authorized user (ex. any FAA employee) and need the password)
http://www.microsoft.com/win32dev/uiguide	Microsoft WEB page contains the Microsoft design philosophy and user interface guidelines
www.screensavershots.com/misc.htm	#15 contains ATC screen saver
http://db-www.larc.nasa.gov/orgs/orgs.html	NASA Org chart stuff
http://avrdec1.stl.army.mil/eng/msneq/AIRCREW/AIB/HTM	Note: Not sure exactly what this one is, it was provided by Frank Bick. He says also do an online search for amcom at redstone arsenal.
http://frwebgate.access.gpo.gov/cgi-bin/useftp.cgi?IPaddress=162.140.64.88&filename=rc99025.pdf&directory=/diskb/wais/data/gao	Air Traffic Control: Status of FAA's Modernization Program
http://frwebgate.access.gpo.gov/cgi-bin/useftp.cgi?IPaddress=162.140.64.21&filename=rc98246.pdf&directory=/diskb/wais/data/gao	National Airspace System: FAA Has Implemented Some Free Flight Initiatives, but Challenges Remain
http://www.mcs.net/~jerome/777/777_msg.htm	This web site has every panel on the B777 with information on all the displays and controls.
http://www.sun-sentinel.com/news/specials/piloterror/	Series on pilot error, which is appearing in the Ft. Lauderdale Sun-Sentinel.
av-info.faa.gov	This is an excellent source of information. If you get an inquiry for recently issued AD's from the public, send them to the web site (provided they have access to the internet). Click on aircraft for the AD's. Info related to SDR's, TSO's, TC's and STC's is there.
Http://olias.arc.nasa.gov/asrs/repsets.htm	Contains the NASA ASRS data. Alternatively you can email: rmorrison@mail.arc.nasa.gov
WWW.GAINWEB.ORG/CASTL	The Global Aviation Information Network (GAIN) is pleased to announce the availability of a prototype web site to facilitate the use of existing aviation safety data and information. The Consolidated Aviation Safety Tools and Links (CASTL) web site provides links to data and information from around the world that are already publicly available and describes a variety of analytical methods and tools that can be used to analyze different

	types of safety data. Over 40 volunteers from nine countries helped create this site. CASTL currently features links to nearly 100 web sites that have been chosen by GAIN participants for aviation safety content. The site also presents information on over 50 analytical methods and tools that are potentially useful to airline flight safety offices. . It is password-protected to limit access to aviation safety professionals.
http://www.smartbrief.com/ata/ata0530.htm	ATA Free smart brief service. You can sign up for this FREE service by clicking on the "Sign up!" button at the end of the sample ATA SmartBrief.
www.generalaviation.org	The GAMA Best Practices and Recommended Design Document (GAMA Pub. 10) is on this site
http://www.dstan.mod.uk/	Human Factors Design Process Guidance. See figure 1 in both Part 11 and Part 12 of the British Defence standards, 00-25 Human Factors for Designers of Equipment.
www.erols.com/hfespoc	Human Factors- Local Chapter- Washington DC area.
www.swissair_crm.ch	Swiss air web page, may also include Carmenta system or that may be on a Carmenta WEB page.
Http://www.11morow.com/caa_ads	check the Cargo Airline Web page
http://www.caasd.org/cdti	MITRE page
www.nlr.nl/public/hosted-sites/freeflight/main.html	NLR also has some stuff on the WEB (Netherlands Research Institute)
http://www.navcen.uscg.mil/frp	RADIONAVIGATION PLAN AVAILABLE ON INTERNET: DOT/DOD plan, which deals with government-operated navigation systems, and the transition to satellite navigation, is available on line.
www.airlineextenders.com	The company is called Airline Extenders and the number is (888) 632-2780. We sell airline seat belt extenders for plus size passengers.

Cheap Airline Tickets & Travel Related Sites:

http://www.itn.net/	Internet travel network to look for cheap fares and they have a capability setup that will automatically e-mail you when someone books a flight that meets a city pair and price criterion you set.
http://www.aa.com	AMERICAN AIRLINES NET SAAVER FARES
http://www.usairways.com/travel/fares/esave rs.htm	USAirways
http://travelocity.travelguides.com/vip/travel ocity/	B&B guide book
http://AVRFAA.OAG.COM	OAG Official Traveler Travel Information System. WEB site for FAA employees to make travel plans. Must have a username and password.
http://www.expedia.com/pub/Agent.dll	Currency Exchange programs
http://www.oanda.com/convert/classic	Currency Exchange program
www.us.thomascook.com	Thomas Cook Currency Exchange
http://www.academy.jccbi.gov/index_ex.htm	Oklahoma City Hotels recommended for FAA employees taking training classes at the OKC academy
https://avrccweb.faa.gov/	For FAA employees to access email while on travel they can link in via the web and use their username and password.
Site59.com	Web site with deals on last-minute trips. Site59, available

	in eight cities including Washington and Baltimore, gears its packages to your home town, so you don't have to wade through offers aimed at folks in Dallas or New York. Registration is easy: You identify your city and interests (cultural, romantic, nature), and the week's offerings are delivered to your e-mail box. Another plus: The packages are ready-made. Packages include activities such as fly fishing, golf, spa treatments or horseback riding.
http://www.idttravel.com/	Ticket consolidator in Alexandria, named International Discount Travel, 703-750-0101
http://spg.0mm.com/al/27/Starwood/fwlmw	Starwood Preferred Weekend specials (Westin):
