

# **Intrusive Inspection Recommendation Resolution Plan**

**Mike Nancarrow**

**ATSRAC Meeting, October 24, 2002**

# Objective

**Provide status to ATSRAC of FAA review covering resolution of recommendations made in the “Intrusive Inspection Working Group Final Report” dated December 29, 2000**

# Outline

- **Accomplishments since last ATSRAC meeting**
- **Detailed action plan update**
- **Next steps**

# Summary of Accomplishments Since Last ATSRAC Meeting

---

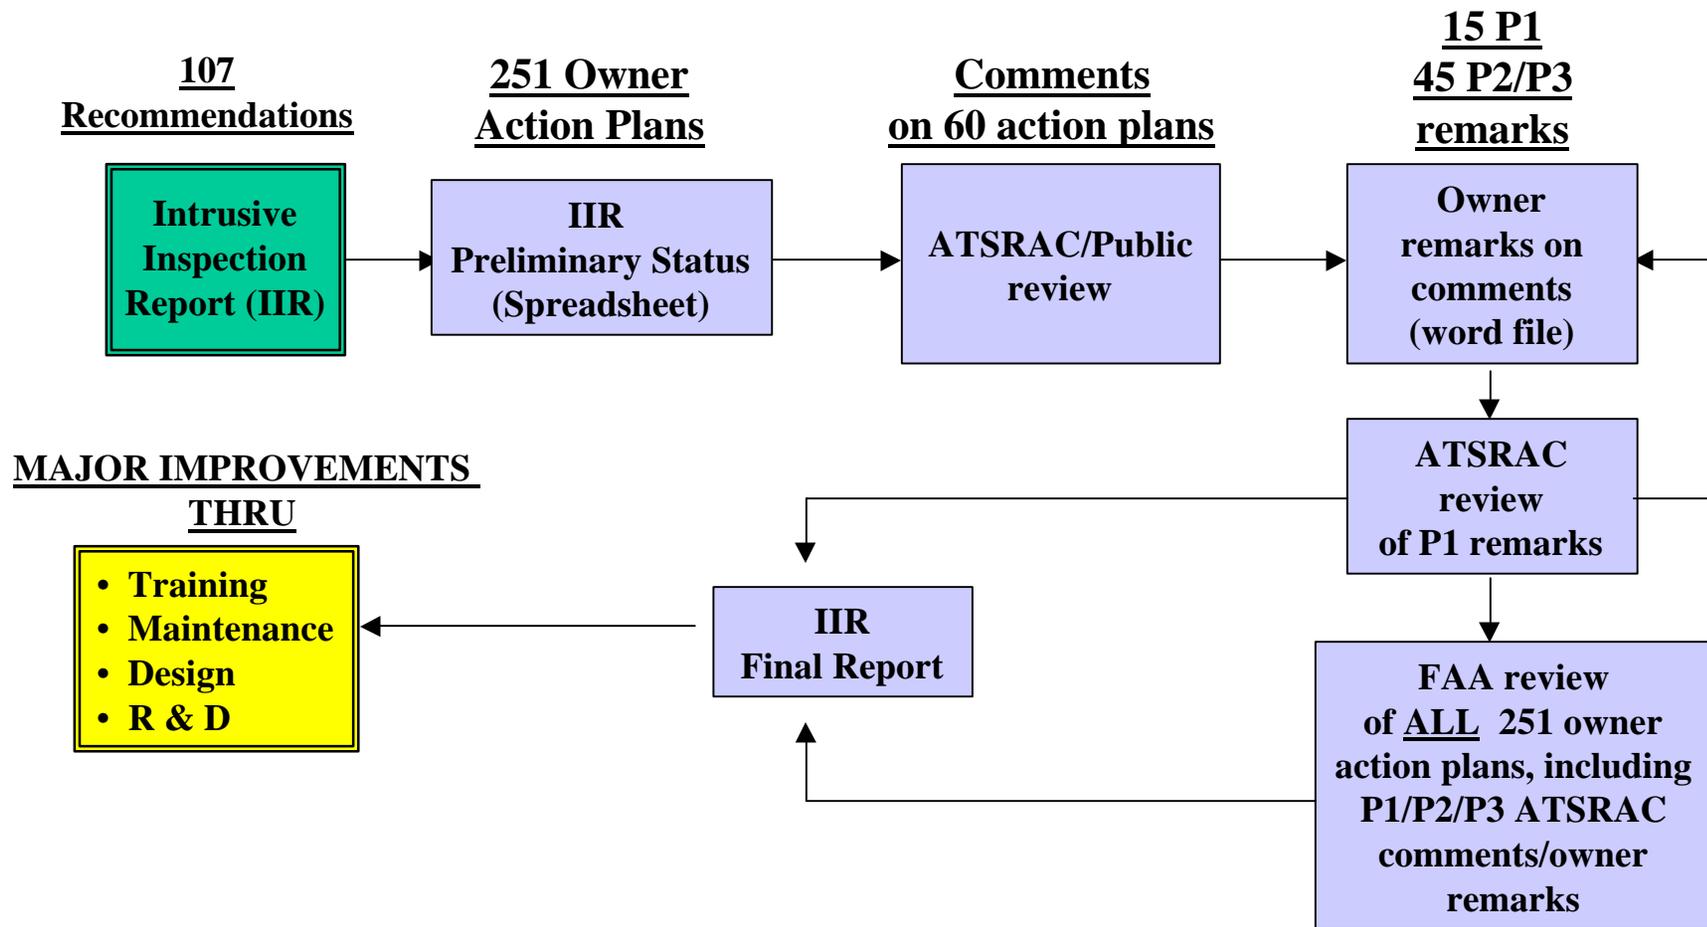

- **Review of all action plans by FAA with affected owners complete and incorporated into revised detailed action plans. Each OEM action plan consolidated into single position where possible**
- **Action plans consider all comments submitted by ATSRAC and the public**
- **Solution matrix and Summary complete**

## **Summary of Accomplishments Since Last ATSRAC Meeting (cont.)**

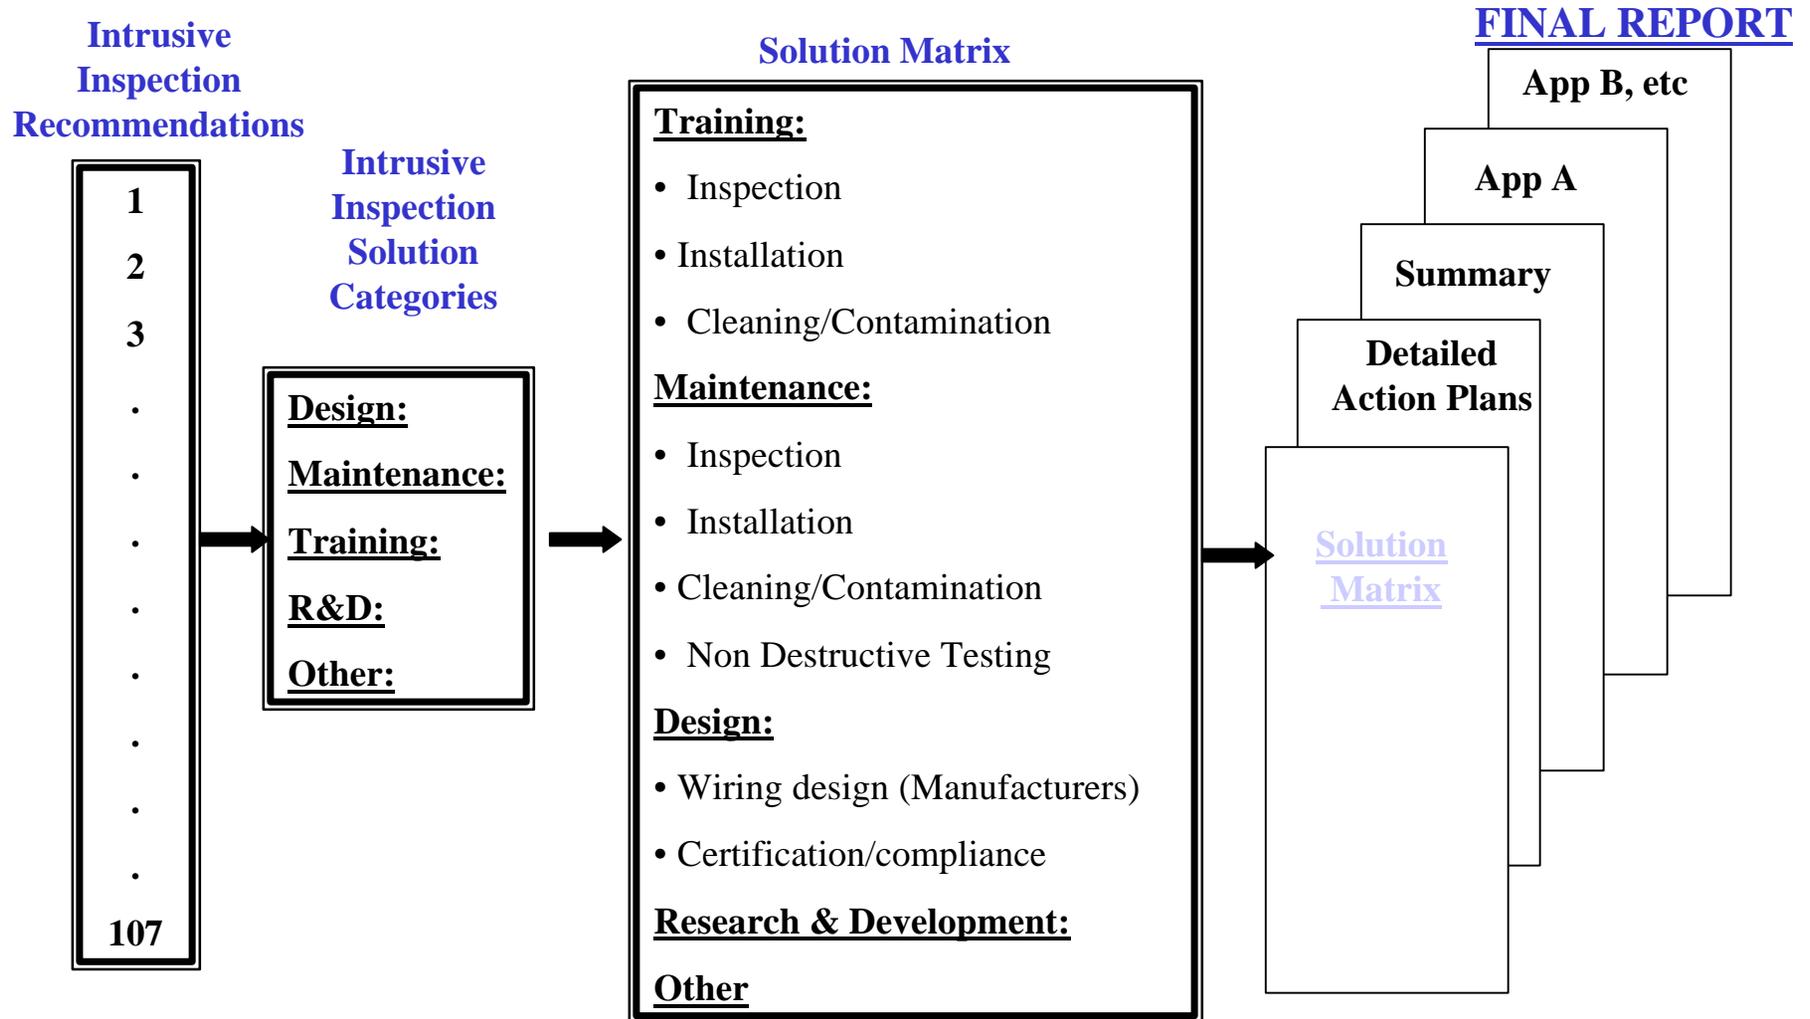

---

- **Final FAA report format established**
- **Second draft of FAA report complete and being reviewed internally**
